Parental support and participation are important and integral parts of the success of the Carnation Cooperative Preschool program. The Coop is designed specifically for parents who are interested in and committed to participation in their child's early education.

- I. The projected time commitment:
 - a. Mandatory attendance at a monthly parent education meeting (2 - 2½ hours). An extra work day in the classroom will be scheduled for a parent who has more than two unexcused absences from parent education classes.
 - b. A preschool responsibility usually requiring one to two hours per month.
 - c. Assist in the preschool, as scheduled, approximately 1-2 classes per month, depending on class size.
 - d. Attend the end-of-year facility clean up, or, if on the Board, the fall classroom set up.
 - e. Find a substitute if parent cannot work on a day s/he is scheduled.

- II. Policy on attendance at Parent Education meetings:
 - a. The parent meeting will be held monthly.
 - b. Attendance is mandatory. Either one or both parents may attend. If a parent is unable to attend, s/he must contact the Parent Leader prior to the meeting. An extra work day in the classroom will be scheduled for a parent who misses more than two parent education classes during the school year.

- III. Tuition Payments:

Payment is due in advance by the 10th of each month. In order to remain in the class, payment must be made in advance, even when it is expected that the child will be unable to attend preschool, as in the case of school holidays, illness or family vacations. A registration fee of \$75, non-refundable in case of withdrawal, is required to enroll.

I understand that the elected Board is the governing body of the Coop and I agree to abide by the decisions they make. I agree to the policies of participation set forth in this agreement.
